

One Day

Matt Monro

One day I'll go around the world One day I'll go to sea And I'll
find a land that's unexplored They'll name it after me I'll p
rove there's nothing that I couldn't Nothing that I wouldn't do
And you'll say I'm someone to be proud of Someone you're glad
you knew And I'll say that everything I've done I've done it al
l for you And I'll say that everything I've done I've done it a
ll for you
