

## One Day

**Matt Monro**

One day I'll go around the world One day I'll go to sea And I'll  
find a land that's unexplored They'll name it after me I'll p  
rove there's nothing that I couldn't Nothing that I wouldn't do  
And you'll say I'm someone to be proud of Someone you're glad  
you knew And I'll say that everything I've done I've done it al  
l for you And I'll say that everything I've done I've done it a  
ll for you
