

Why Not Now

Matt Monro

Please love me tonight For it's clear very clear The moment is
right so why not now I thrill at your touch Your so near very n
ear I need you so much So why not now

Your warm finger tips touching my hand I long for your lips to
understand And whisper love me tonight Midnight's near very nea
r Tomorrow can wait So why not now

Love will never wait and maybe tomorrow's too late Say it tende
rly And whisper love me tonight Midnight's near very near Tomor
row can wait So why not now Tomorrow can wait So why not now
