

# Mine

Matt Nathanson

I was out getting dinner  
I got a text from my sister  
It's been awhile  
She said "you've been dating  
Some kid who's amazing"  
How was I...

Maybe I'm stunting  
Maybe you're nothing  
Maybe I'm spending every day satisfied  
Maybe I'm through this  
Or maybe the truth is  
Maybe there's nothing round here that shines  
Like it did, like it did when you were...

Mine, mine, mine, mine, mine  
Ooh-ooh, ooh-ooh  
Ooh-ooh, ooh-ooh  
Mine, mine, mine, mine, mine  
Ooh-ooh, ooh-ooh  
Ooh-ooh, ooh-ooh

All the ways I tried to rewind when you were mine  
And all the way I tried to rewind when you were mine

By the end I was practice  
Yeah you kissed me like an actress  
Running lines  
Heard you move to the sunset  
A queen in a subplot  
A whole new life

Maybe I'm stunting  
Maybe you're nothing  
Maybe I'm spending every day satisfied  
Maybe I'm through this  
Or maybe the truth is  
Maybe there's nothing round here that shines  
Like it did, like it did when you were...

Mine, mine, mine, mine, mine  
Ooh-ooh, ooh-ooh  
Ooh-ooh, ooh-ooh  
Mine, mine, mine, mine, mine  
Ooh-ooh, ooh-ooh  
Ooh-ooh, ooh-ooh

All the ways I tried to rewind when you were mine  
And all the way I tried to rewind when you were mine  
All the ways I tried to rewind when you were mine  
And all the way I tried to rewind when you were mine

Mine, mine, mine, mine, mine  
Ooh-ooh, ooh-ooh  
Ooh-ooh, ooh-ooh  
Mine, mine, mine, mine, mine  
Ooh-ooh, ooh-ooh

Ooh-ooh, ooh-ooh

All the ways I tried to rewind when you were mine  
And all the way I tried to rewind when you were mine  
All the ways I tried to rewind when you were mine  
And all the way I tried to rewind when you were mine
