**Matt OX**

Ooh, that bih hard right there  
I get my word from the Narco

Bag, bag, bag, bag  
Bag, bag, bag, bag  
Hey, know I got all the bag (Woo)  
Hey, know I get all the bag (Brrr, Bop bop bop)

Came through, I'm talking so shut it up  
My momma gave birth so I run it up  
I kill yo ass with no cover up  
In love with the money, lil' bitch I can't cuddle up  
How I really gettin' dollars  
Baggin' up crack till I change horizons  
Bought me a silencer, kill you in silence  
(Brrrr, Narco, Bop bop bop)  
Bought me some Ricks, I'm fly as a astronaut  
I swear to God, big Dro Fe don't cap a lot  
I send my Narcos to label and sabotage  
These A & O's pussy, I kill 'em with Camrila  
This Saint Laurent, I spend thousands on Camouflage  
This shit is pure, I import it from Panama  
I got three felonies, can't go to Canada  
It's money, it's work or it's drugs on my calendar

Bag, bag, bag, bag  
Bag, bag, bag, bag  
Hey, know I got all the bag (Woo)  
Hey, know I get all the bag (Brrr, Bop bop bop)

I racked it up too fast, yeah, you dig what I'm sayin'?  
You dig what I'm sayin', you dig what I'm sayin'  
You dig what I'm sayin'?  
I got bands, we'll chop up bands  
They lookin' like "Damn, let me flex like him"  
I cop what he can't and I flexed on him  
Boy, you ain't ballin', you ain't even hit the rim  
Boy, you ain't ballin'  
Boy, you ain't ballin', yeah  
Boy, you ain't ballin', that money gone  
I'm writing papers like college  
All o' these VV's is polished  
I get your whole gang abolished  
Whip one, tap on my colleagues  
He seen so many sticks, it look like a forest  
I flip the racks and then I restart it  
Restart it  
Restart it

Bag, bag, bag, bag  
Bag, bag, bag, bag  
Hey, know I got all the bag (Woo)  
Hey, know I get all the bag (Brrr, Bop bop bop)
