Can't

Matt OX

It recording
I get my work from a narco

Yeah, I can't never lack on no bag
They can't flex more than the gang (They can't)
And they gone cap when they can (They cap)
I be rockin' Balmain on Balmain (On Balmain)
We be doin' things that your gang can't (They can't)
Heard you sh-shoot out of fright (Pop pop)
Boy, I had my boots in the rain (The rain)
Now, I'm in a coupe in the rain(Skrr skrr)

We don't talk loose change
Only talk big bags
I'm stickin' up what you can't
Don't dap me up, you ain't gang
Gucci frames, Louis frames, by the freight
You wear the same thing, every single day
I be gettin' big ol' bank
You be fumblin' big ol' bank
Please stop callin' my name
I'm too busy talkin' to the bank
I'm drippin' down my legs
Eatin' fish filet
That boy'll flank
Gang in Atlanta and gang in LA, gang in Philly
All in the same day
I'm in the paint
You can hit licks on your block everyday
Remember in school, had to eat off a tray
Now I spend 5 Gs just for a plate
I get the bag and I make it inflate
We need the cash, we need the cake
Give me the cash, or I'ma take

Yeah, I can't never lack on no bag
They can't flex more than the gang (They can't)
And they gone cap when they can (They cap)
I be rockin' Balmain on Balmain (On Balmain)
We be doin' things that your gang can't (They can't)
Heard you sh-shoot out of fright (Pop pop)
Boy, I had my boots in the rain (The rain)
Now, I'm in a coupe in the rain(Skrr skrr)
