

Day One

Matt OX

Yeah, yeah, yeah-yeah
Yeah, yeah, yeah-yeah
All this drip I'm flooded
All these diamonds they glisten, they flooded
Yeah, all this drip I'm flooded
All this drip you know that I'm stunting
All blue strips yeah you know that it's hunnids
Yeah, you know that it's hunnid (Yeah)
Already flipped it like it was nothing (Yeah)
Already did it, yeah already done it
Already did it, I already done it
I flip it, them hunnids from nothing to something

Nothing to something, nothing to
Nothing to something
Nothing to something, nothing to
Nothing to something
Run them bands up, run them bands up
Came up outta the mud, you know I made it out
Made it up outta the mud, made it up outta the slums
Nah I ain't never forget where I came from (Yeah)
Still with the set ain't ever changed huh
Yeah I'm still with my day ones

Yeah-yeah
Yeah, yeah, yeah-yeah
All this drip I'm flooded
All these diamonds they glisten, they flooded
Yeah, all this drip I'm flooded
All this drip you know that I'm stunting
All blue strips yeah you know that it's hunnids
Yeah, you know that it's hunnid (Yeah)
Already flipped it like it was nothing (Yeah)
Already did it, yeah already done it
Already did it, I already done it
I flip it, them hunnids from nothing to something
