

DOLO

Matt OX

I went MIA on my own home
I flew wide away on my own clothes
I been in my wave, in my own zone
Did it on my own, dolo
On a dolo, on a dolo
Did on my own like a solo
I be going [?], bozo
Two [?] like it's Frozone
Two [?] like it's Frozone

I stay on the low low, I'm on go go
I stay on the low low, I'm on go go
On go go
Yeah it's that time
On go go
Yeah we 'bout to slide
On go go
Is you finna' ride
On go go
I get out alive
Get up out my line, you know the time
Take it to the sky, we throwin' up high
And I'm still alive, no I ain't die
Yeah it's still that time, still that time
Yeah, you know the vibes, you know the vibe

I went MIA on my own home
I flew wide away on my own clothes
I been in my wave, in my own zone
Did on my own, dolo
On a dolo, on a dolo
Did it on my own like a solo
I be going [?], bozo
Two [?] like it's Frozone
