

FUN!

Matt OX

Uh, uh-huh
I'm just havin' some fun
Uh, uh
I'm just doin' what I want
Uh, uh-huh
You know I'm in the cut
Uh, uh
Run up on us and you're done
Run up on us and it's finished
Run up on us and it's over
I ran it up and I flip it
I ran it up 'til it's over
Yeah, uh-huh
I ran it up 'til it's over
Yeah, uh-huh
I'm runnin' it up 'til it's over

Uh, uh
You been losin' yourself
Uh, uh
Losin' yourself

Numb off the drugs, you been losin' yourself
You been usin' yourself
In and out of love, you been losin' yourself
Yeah, you been losin' yourself
Make it out the mud, you try to do it yourself
Yeah, you gotta do it yourself
And I'mma run it up, you gotta move it yourself
Yeah, you gotta move it yourself

Laid up in the AM, when I'm wakin' up
Wake up in the AM, chasin' to the bucks
We be causin' mayhem, we be turnin' up
It's like everybody hate 'em, they don't show no love
They don't show no love, they don't show no love
It's like everybody hate us, they don't show no love
I done came up from the basements, came up from the slums
Now I'm makin' too many payments, makin' too many funds

Numb off the drugs, you been losin' yourself
You been usin' yourself
In and out of love, you been losin' yourself
Yeah, you been losin' yourself
Make it out the mud, you gotta do it yourself
Yeah, you gotta do it yourself
And I'mma run it up, you gotta move it yourself
Yeah, you gotta move it yourself

Yeah, yeah
I know they not doin' what I'm doin'
And I know they ain't movin' how I'm movin'
You know I keep it true, I keep it the truest
They don't [?], just to [?]
I could feel the spirits, I feel the movements
I feel it in my spirit, I gotta do this
I feel it in my spirit, like it's a movement

Wherever I go I'm steerin', I'm keepin' it movin'

Uh, uh-huh
I'm not new to this
Uh, uh-huh
I've been doin' it

Uh, uh-huh
I'm just havin' some fun
Uh, uh
I'm just doin' what I want
Uh, uh-huh
You know I'm in the cut
Uh, uh
Run up on us and you're done
Run up on us and it's finished
Run up on us and it's over
I ran it up and I flip it
I ran it up 'til it's over
Yeah, uh-huh
I ran it up 'til it's over
Yeah, uh-huh
I'm runnin' it up 'til it's over
