

GENESIS

Matt OX

Hop up in that new Benz, hopping in and out that whip
Hop up in that new Benz, hopping in and out that whip
Hop up in that new Benz, hopping in and out that whip
Hop up in that new Benz, hopping in and out that whip

Yeah, yeah, yeah
Let it begin like the genesis
Let it begin, let it begin

OX always win, yeah, that is a definite
I let it begin, so you know I'm ending it
You going out bad, yeah, that is a detriment
I'm back in my bag, I'm back in my element
I'm flipping and selling it, I'm living in elegance
No, you never felt like this, the kid is irrelevant
They can't fake, it's too delicate
I faced my fate like a testament
Came out the gates like I was heaven-sent
Ain't leave a trace, they got no evidence
They ain't got no proof of us, stay truer than the truth
They ain't on the move 'cause I be doing what they can't do
I be moving how they can't move
Yeah, you're stupid stuck up in that loop
I can't get stuck up, I gotta resume
You run up, get done up, you look like a fool
I'm too wise to be a fool
Through my eyes I see the truth
I'm on the grind, I'm in the booth
I'm on the top, off of the roof
I'm on the top, I'm on the
I'm on the top, I'm on the top
I stay on lock, I get the guap
I won't ever stop, I won't ever drop
Skrرت off with that
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah

Hop up in that new Benz, hopping in and out that whip
Hop up in that new Benz, hopping in and out that whip
Hop up in that new Benz, hopping in and out that whip
Hop up in that new Benz, hopping in and out that whip

Still the beginning, it ain't never ending
I'm the first that did it, and you ain't even the second
I don't got no limits, yeah, I'm taking this to the infinite
Doing this independent and I'm handling all my business
No, I'm not quitting, you know I'm not giving up
Stick to your pivot, you know I'm not slipping up
Whole clique with it, you know we not switching up
You know I'm gon' live it up, you know we not giving up
