

# HEART ATTACK

Matt OX

Jump out my chest, heart attack  
Yeah, woo

Jump out my chest, heart attack  
Had to reload it, start it back  
Jump out my chest, heart attack  
I pay for her nails, I varnish that  
It's the year of the Ox, so do it like Matt  
We take off your top, a toe'll get tagged  
Got cardiac arrest on all my swag  
Jump out my chest, heart attack

Can't walk in my sneakers, jeepers creepers  
Dead man failures, they ain't believe us  
I'm 'bout to [?]  
She don't say nay when it's for me  
I think it's payday, envelope please  
I'm 'bout to the dress up, getting too easy  
I rock Chane-ne with the McQueens  
I take your baby out her jeans  
I can't have a melee with the fiends  
Want my face on the paper like the queen  
I'm 'bout to explain  
I'm 'bout to explain what I mean  
The biggest, the greatest ever seen  
I play with them racks like Serena  
Fuck up the court, they want a subpoena

Jump out my chest, heart attack  
Had to reload it, start it back  
Jump out my chest, heart attack  
I pay for her nails, I varnish that  
It's the year of the Ox, so do it like Matt  
We take off your top, a toe'll get tagged  
Got cardiac arrest on all my swag  
Jump out my chest, heart attack

I run it back, I got a stack  
That ain't no cap, that's just a fact  
Stack to the max, I stack to the maximum  
Stack up the racks, I stack 'em and add 'em up  
All that cash and I still ain't had enough  
All that cap, I could already see the bluff  
You see me speeding up, you gotta keep it up  
I'm on the scene in the Phantom, we leaving you  
I gotta leave off the scene  
You know the team is with me  
You know we staying lowkey  
I take the crown off a king  
Stacking up, healthy, obese  
In and out of the  
Stacking mines in accounts that I keep  
Then repeat, then repeat it  
Split it to make it all even  
Mix it like it was some seasoning  
I had to go get it if I ever needed it  
Had to manifest it if I ever needed it

I'm up in the section you can't even get in  
She sent me her message and then I just read it  
I'm with the set, yeah, it's a collective

Jump out my chest, heart attack  
Had to reload it, start it back  
Jump out my chest, heart attack

It's the year of the Ox, so do it like Matt
