Let's turn up (Let's turn up)  
Let's turn up (Let's turn up)  
Let's turn up (Let's turn up)  
Let's turn up (Let's turn up)  
Let's turn up (Let's turn up)  
Let's turn up (Let's turn up)  
Let's turn up, let's turn up, let's turn up (Ayy McCoy)  
Ayy, ayy (I get my work from the Marco)

I'm turnin' up with the gang (Gang)  
We gon' turn up with them things (Them things)  
Big ole' VV's on the chain (The chain)  
They be goin' bling, bling, bling, bling  
They be dancin' in the rain (The rain)  
While I'm skrrtin' off in a Range (A Range)  
You got money, but you ain't happy, boy, I can see it in your face  
I pulled up, like "What is happening, boy? I heard you was talkin' crazy"  
You couldn't say it to my face?  
Heard you was talkin' to the jakes (The jakes)  
Heard you was reppin' other gangs (Gang)  
Boy, that's crazy (Crazy)  
And I slide through to the party, I pop up like [?] (Pull up like)

Let's turn up (Ooh)  
Let's turn up (Let's turn up)  
Let's turn up (Ooh)  
Let's turn up (Let's turn up)  
Let's turn up (Ooh)  
Let's turn up (Let's turn up)  
Let's turn up, let's turn up, let's turn up  
Ayy, ayy

Ooh  
Ooh, ooh  
Ooh, ooh, ooh  
Ooh, ooh, ooh, ooh (I get my work from the Marco)

(Ooh, ooh)  
Lookin' at my watch, times tickin', uh (Tickin')  
You can see the VV's vivid (Vivid)  
I think it's messin' up my vision (My vision)  
I can't see now, everything blingin' (Blingin')  
Everything blingin' (Blingin', blingin')  
Big chain swingin' (Swingin', swingin')  
Everything blingin' (Blingin', blingin')  
Color keep switchin' (Switchin')

I playin' keys, like piano tunes  
I rock Louis V, mixed with the VLONE  
They all mimic me, they look like some clones  
Damn, get it on your own  
Wear your own clothes (Clothes), use your own flow  
Like damn, where your money go?  
Like damn, like damn, like damn, like damn, like damn  
Is you gon' stay ten toes?  
Like damn, like damn, like damn, like damn, like damn  
Is you gon' fold like the most?

Oh man, oh man, oh man, oh man, oh man  
What'd I get myself into?  
Oh man, I think I'm way too in tune

(Ooh, ooh)  
Lookin' at my watch, times tickin', uh (Tickin')  
You can see the VV's vivid (Vivid)  
I think it's messin' up my vision (My vision)  
I can't see now, everything blingin' (Blingin')  
Everything blingin' (Blingin', blingin')  
Big chain swingin' (Swingin', swingin')
