Yuh, we out here, gang, gang, thought it was, gang
Ay, ay, gang gang gang gang

Diamonds on my wrist, and they lookin' like they mystical
I was in the streets, I was actin' like a criminal
Yeah I'm lookin' weak, but I'll prolly make you edible
I was in the streets runnin' 'round like an animal

Diamonds on my wrist, and they lookin' like they mystical
I was in the streets, I was actin' like a criminal
Yeah I'm lookin' weak, but I'll prolly make you edible
I was in the streets runnin' 'round like an animal

Youngin' on the track, but I don't act like you young boys
Yeah I'm with the gang, and you know we actin' radical
Ice on my chain and you know it is not flammable
Rubies on my ring and you know it's really valuable
You was talkin' smack to me, that stuff is really laughable
You tried to break me off, but I am really unbreakable
I be makin' hits your girl lovin' more than she love you
Youngin on the comeup and you know that I'm unpassable

Diamonds on my wrist, and they lookin' like they mystical
I was in the streets, I was actin' like a criminal
Yeah I'm lookin' weak, but I'll prolly make you edible
I was in the streets runnin' 'round like an animal
Diamonds on my wrist, and they lookin' like they mystical
I was in the streets, I was actin' like a criminal
Yeah I'm lookin' weak, but I'll prolly make you edible
I was in the streets runnin' 'round like an animal

Walkin' around with the ratchet in traffic
These niggas talk shit then I'm blastin'
Lil' CHXPO you know I been spazzin', we blitzin' like MADDEN
Smokin' on 'Cali, it came from the valley, she callin' me daddy
She all on my dick 'cause she know I'm the shit
I'm a walkin' lick, I'm a talkin' brick, pull up you might get hit
I got a glizzy with a chopstick
You know I be on some opp shit
Make her drop like a dropkick
When I hit you with this mob stick
Lil' CHXPO make a whip flip like a kickflip, I be on some pimp shit
All these hoes on my dick, man, Lil' CHXPO, I'm just really tryna get rich
I get to the knot and I get to the guap
Run up on me and you know you get shot
Pull up with lil' MATT OX
You know he gon' fuck your lil' thot
Lil' CHXPO always on the block
And I don't smoke no moon rocks
On the block sellin' rocks in my crocs, workin' with the skraight drops

Diamonds on my wrist, and they lookin' like they mystical
I was in the streets, I was actin' like a criminal
Yeah I'm lookin' weak, but I'll prolly make you edible
I was in the streets runnin' 'round like an animal

Diamonds on my wrist, and they lookin' like they mystical
