

## PAUSE

Matt OX

I'mma get it in  
Even if it is a sin  
I'mma take the win  
Even if he hit the rim  
I can't take no loss  
Wanna be a boss then you better know the cost  
Cause with the bras with the sauce

Hold up pause  
Hold up pause  
Hold up pause  
Hold up pause

Pause the tracks pause it  
All these racks like what it's costing  
Pause on it pause it  
So I take and I copped it  
Hold up pause  
I won't fall I'm standing tall pause  
I'mma ball on yall pause going off the wall pause

On the chalk board pause  
I gotta get to the top pause  
I gotta get out the rock pause  
Big racks I won't stop pause  
I don't wanna call yall  
I don't even wanna talk nah  
Bye I'm gone

I'mma get it in  
Even if it is a sin  
I'mma take the win  
Even if he hit the rim  
I can't take no loss  
Wanna be a boss then you better know the cost  
Cause with the bras with the sauce

Hold up pause  
Hold up pause  
Hold up pause  
Hold up pause

Pause on it, I gotta running back  
I did a hundred laps  
I ain't gonna front on that  
Imma just dump on that  
She is a dumb on that  
I had some fun with that  
Then I was done with that  
Breaking up my slatt  
I had a plaque up on the block and it was hot  
Baggin up my guac and it came from the rot where u could get shot  
Got it, booked it, hopped that, don't look back  
He got a new bag and they took that, better get your lunch in the school books bag  
Red flag you a rat, ruff red, in the jag  
In the game and I had to stay this

Better stay awake better get your lane back

I'mma get it in  
Even if it is a sin  
I'mma take the win
