

RUBBER BANDS

Matt OX

Yeah, yeah, yeah

Pop them bands
Ima pop them bands
I got lots of rubber bands
Inside of my pants
Pop them bands
Ima pop them bands
Pop them bands
Ima pop them bands

[?] I been living fancy
Flexxin' the fashion I know they can't stand me
Poppin' tabs like a piece of candy
Off this planet, we get off this planet
We got big old bands inside my pants
Ima go drip on them until I'm drenchin'
You know I be settin' trends, settin' trends on 'em
Ima flex on 'em
Get that check on 'em

In that Benz, did the dash on 'em
I move way too fast I might crash on 'em
Shop for all these bags pop the tags on 'em
Rockin' wicked [?] Ima swag on 'em
Fly like superman I be fly like superman
I be movin' bands you know I be movin' bands

Pop them bands
Ima pop them bands

Inside of my pants
Pop them bands
