OX star! (OX star, OX star, OX star)  
EMOB away! (EMOB away)

Pull up in a Tesla  
Shawty think she special  
All my bank is stretched up  
All my bank is stretched up  
My brodie still locked up  
Gotta keep EMOB up  
They won't never top us  
No, they won't ever stop us  
Pull up in a Tesla  
Shawty think she special  
All my bank is stretched up  
All my bank is stretched up  
My brodie still locked up  
Gotta keep EMOB up  
They won't never top us  
No, they won't ever stop us

I ride in the coupe  
Shawty wanna slide through  
It's a movie I do what I do  
And the gang come through  
We get so lit  
We got the drip  
We sauce how we sauce  
They talk and they talk  
They nothing to me  
I'm on a new level  
They nothing to me  
My pocket is double  
Bag alert, bag alert, bag alert  
That's that bag alert  
Bag alert, bag alert  
Yeah my bank secure  
Count it up, count it up (count it up)  
Teacher said I won't be nun  
But I just spent their yearly payment  
Hold up, wait  
That was in one day, man  
They copy and paste  
They wanna be me  
Imma hot boy  
Check my degree
