Spendin' what you can't
Any day at any place
Any rank, you can't compete me
Fill yo tank It's stuck on E
I might paint a picture for ya
I might write a scripture for ya
I might make some quizzes for ya
I might get ya teacher number
Link up wit' her in the summer
This a bummer, you still in yo [?]
You is a pussy, you better get tougher
No I don't love her and no I don't trust her
I had to dump her, I had to run
I had to leave her, then I hit another
I talk to her mother
Fought with the brother
Flirt with her sister, but I didn't kiss her
No I don't miss her
I had to dip there
I had to get here
Met the whole clique here
I'm finna mix there
It's gettin' lit here
I'm making flips here
You makin' tips there (Yeah)
