

Help From Heaven

Matt Redman

There is a moment
Every heart needs a rescue
There is a season
Every soul needs a breakthrough
Help from heaven
We all need
Help from heaven

There is a whisper
A voice of hope inside you
There is an answer
A name above to guide you
Help from heaven
We all need
Help from heaven

When the world is on our shoulders
And we need a hand to hold us
When no miracle is found, still believe
When the sea of night surrounds us
And all questions try to drown us
Just believe ... just believe... in help from heaven

There is a reason
These tears have not been wasted
There is a future
For all these broken pieces
Look to heaven
All we need
Is help from heaven

When the road ahead is hidden
And we need a new beginning
When the battle's closing in,
Still believe, o o o
One more step into the promise
And the hands of grace that hold us
Just believe ... just believe... in help from heaven

Taking heart and holding on
Hope is closer than we know
Heaven will not let us go...
Help from heaven...
