

# I Will Offer Up My Life

Matt Redman

**D**            **D/F#**            **G**  
I will offer up my life  
          **A**                            **D**  
In spirit and truth,  
                  **D/F#**                            **G**  
Pouring out the oil of love  
          **A**                            **D**  
As my worship to You  
          **D/F#**                            **G**            **A**            **D**  
In surrender I must give my every part;  
          **D/F#**                            **G**  
Lord, receive the sacrifice  
          **A**                            **D**  
Of a broken heart

R::

**G**            **A**            **D**  
Jesus, what can I give, what can I bring  
                  **G**                            **A**            **D**  
To so faithful a friend, to so loving a King?  
                  **G**            **A**            **D**  
Savior, what can be said, what can be sung  
                  **G**  
As a praise of Your name  
          **A**                            **D**  
For the things You have done?  
                                  **Emi**    **D/F#**                    **G**    **D**  
Oh my words could not tell, not even in part  
          **Emi**            **D/F#**                    **G**  
Of the debt of love that is owed  
          **A**                            **D**  
By this thankful heart

You deserve my every breath  
For You've paid the great cost;  
Giving up Your life to death,  
Even death on a cross  
You took all my shame away,  
There defeated my sin  
Opened up the gates of heaven  
And have beckoned me in
