Louder

Matt Redman

There's a song that cannot be contained
There's a shout that breaks through every chain
God we won't be silent

There's a faith that rises through the flames
There's a joy that chases the dark away
God we won't be silent

And the greater the storm
The louder our song

We lift our voices
Lift our voices
Make Your praise so glorious

There's a faith that rises through the flames
There's a joy that chases the dark away
God we won't be silent

And the greater the storm
The louder our song

We lift our voices
Lift our voices
Make Your praise so glorious

We'll never stop singing
We'll never stop singing

We lift our voices
Lift our voices
Make Your praise so glorious

And the greater the storm
The louder our song
