

## Questions (You Are Faithful)

Matt Redman

In all of our questions, all of our searching  
When we are wrestling You don't let go  
In all of our fears and doubts, all of our anxious thoughts  
When we are restless, still we are held

Lord, I believe but help my unbelief

The questions come but You remain  
The battles roar but still You reign  
And I believe one thing will never change  
'Cause You are faithful, You are faithful

In all of our chaos, You will be constant  
You can be trusted above it all  
All of our fears and doubts, all of our anxious thoughts  
You are not absent within the storm

The questions come but You remain  
The battles roar but still You reign  
And I believe one thing will never change  
'Cause You are faithful, You are faithful  
Oh the questions come but You remain  
The battles roar but still You reign  
And I believe one thing will never change  
'Cause You are faithful, 'cause You are faithful

Lord, I believe but help my unbelief  
Lord, I believe but help my eyes to see

You are faithful, You are faithful  
Yes, You are faithful God, to the end  
You are faithful, You are faithful  
Yes, You are faithful God, to the end  
You are faithful, You are faithful  
Yes, You are faithful God, to the end  
You are faithful, You are faithful  
Yes, You are faithful God, to the end  
You are faithful, You are faithful  
Yes, You are faithful God, to the end  
You are faithful, You are faithful  
Yes, You are faithful God, to the end  
You are faithful, You are faithful  
Yes, You are faithful God, to the end

O You are  
O You are  
O You are  
God I have questions  
But I come with reverence  
Surrender at Your throne  
And I trust Your word  
I trust Your heart  
I trust Your name  
I trust my God  
O my soul, rise up  
Worship Him  
Worship Him

Move beyond all the unknown  
To the known  
To a God, who's on His throne  
You're ruler of my life  
You're reigning and ruling  
With sovereignty, with kindness, with goodness  
With greatness, with mercy  
Come on, come on

'Cause You are faithful, You are faithful  
You are faithful God, to the end  
You are faithful, You are faithful  
You are faithful  
You are faithful, You are faithful  
And You are faithful, even when we are faithless  
'Cause You are faithful, God, to the end  
You are faithful
