

# Twin

Matt Simons

Can't you feel the tension  
Can't you feel the tension, babe  
I feel like I'm bending  
The way that you pull me down

I never learn my lesson  
You make it out like I'm insane  
I feel like I'm less than  
The way you control me now

With that look on your face  
Like I don't know my place  
Am I supposed to fake it?  
Be less than myself just for somebody's sake

With that look on your face  
Like I'm something to break  
And you put back the pieces  
You put back the pieces  
In your favorite shape

I love you but you love somebody else  
And it's all I can see  
Some kind of twin and I'm not really him  
But I'm trying to be  
I love you but you love somebody else  
And he's all that you need  
He's the man of your dreams  
But he's nothing like me  
No

Always keep me guessing  
Will I be enough today?  
Man, it's got me stressing  
The way that you hold me down

You're trying to make me better  
Keeping me together  
It could be forever if I change  
I don't believe a word you say  
The way that you come around

With that look on your face  
Like you're running away  
Am I supposed to chase it  
Be less than myself just for somebody's sake

With that look on your face  
Like I'm something to break  
And you put back the pieces  
you put back the pieces  
In your favorite shape

I love you but you love somebody else  
And it's all I can see  
Some kind of twin and I'm not really him  
But I'm trying to be

I love you but you love somebody else  
And he's all that you need  
He's the man of your dreams  
But he's nothing like me  
No

No. He's nothing like me  
He's nothing like me  
No

I love you but you love somebody else  
And it's all I can see  
Some kind of twin and I'm not really him  
But I'm trying to be  
I love you but you love somebody else  
And he's all that you need  
He's the man of your dreams  
But he's nothing like me  
No

Good luck with your fantasy  
You won't put that shit on me  
Good luck with your fantasy  
You're gonna need it, you're gonna need it

Good luck with your fantasy  
You won't put that shit on me  
Good luck with your fantasy  
You're gonna need it, you're gonna need it

I love you but you love somebody else  
And it's all I can see  
Some kind of twin and I'm not really him  
But I'm trying to be  
I love you but you love somebody else  
And he's all that you need  
He's the man of your dreams  
But he's nothing like me  
No
