

Boujee

Matt Terry

Yeah!
Oh I
I'm on a new thing
Oh my
He buys me Gucci
We can spend the night
Sipping on red wine (wine)
Wasting precious time
We're kinda boujee

I know you got it
Yes, I want it
It's a dirty habit
I wanna take it
Let me have it
We can make some magic
So let's not talk about it
Right now you can't imagine
But baby, we can have it all

Ain't it funny
That's me honey
I'm obsessed with money
I love the finer things
The diamond rings
My cushions fluffy
So let's go somewhere sunny
Tuck into something yummy
Cause baby we could have it all

Yeah!
Oh I
I'm on a new thing
Oh my
He buys me Gucci
We can spend the night
Sipping on red wine (wine)
Wasting precious time
We're kinda boujee
I I
Don't mind
I don't mind
I I
I'm kinda boujee
We can spend the night
Sipping on red wine (wine)
Wasting precious time
We're kinda boujee

They say I'm greedy
Pretty needy
And I love the dollar
If you need bleeding
Come and see me
Little shop of horrors
It's kinda simple really
Green is my colour clearly

Cause baby we can have it all

Oh I
I'm on a new thing
Oh my
He buys me Gucci
We can spend the night
Sipping on red wine (wine)
Wasting precious time
We're kinda boujee
I I
Don't mind
I don't mind
I I
I'm kinda boujee
We can spend the night
Sipping on red wine (wine)
Wasting precious time
We're kinda boujee

Classic cars
Seven stars
Leave a chocolate box
In the middle of my pillow
I'm a superstar
Oh shit, I must be dreaming
From 9-5, I'm cleaning
But one day I might have it all

Oh I
I'm on a new thing
Oh my
He buys me Gucci
We can spend the night
Sipping on red wine (wine)
Wasting precious time
We're kinda boujee
I I
Don't mind
I don't mind
I I
I'm kinda boujee
We can spend the night
Sipping on red wine (wine)
Wasting precious time
We're kinda boujee
