

Marianne

Matt Wertz

California's come and gone
Now I got my mind back on
The open air and you on highway one

Baby ever since that day
Been tryin to get back to that place
Everything's was right under sun

Oh, Marianne, Marianne
I said Marianne, I'm waiting

Saturday took you away
Sunday mornin' brought the rain
The cloudy skies are coverin' the blue

Why'd you have to disappear
It's not the same without you here
Everything's remindin' me of you

Marianne, Marianne
Marianne, I'm waiting to see you again
Marianne, Marianne
Marianne, I'm waiting to see you again

Could you come back
Won't you come back
Cause I'm waiting
I'm waiting

Would you come back
Won't you come back
Cause I'm waiting
I'm waiting to see you again

Marianne, Marianne
Marianne, I'm waiting
Marianne, Marianne
Marianne, I'm waiting
To see you again, To see you again
I'm waiting, waiting

Marianne, Marianne, Marianne
