

Be the One

Matt White

Oh my love
Is like an open door
And if you want some more
Then I'll, I'll be the one
Oh baby you shine
Brighter than anyone
For me it is real love
And I'll, I'll be the one

All my life
You stop and stare
If there's doubt I'm unaware
Here's my heart
Take it there
Won't you please
Won't you please

And when I
I met you time stood still
I asked you if you will
Be, be the one

And if you cry
You will bring all the rain
I'll put off all your pain
Uh, until it's done
All my life
You stop and stare
If there's doubt I'm unaware
Here's my heart, take it there
Won't you please
Won't you please

Oh my love
Is like an open door
And if you want some more
Then I'll, I'll be the one
Oh baby you shine
Brighter than anyone
For me it is real love
And I'll, I'll be the one

Oh babe, I'll be the one
And babe, I'll be the one
