

# Out of Sight Out of Mind

**Matt White**

It came so clearly to my head, memories fading to a thread  
The war, I'm losin with myself  
I can't control your anger spells  
Each time I run away, I'm heading for the door  
Each time I turn away I fall into the ground and I say

I am leaving here tomorrow  
You're always on my mind  
I need to be reminded, out of sight, out of mind  
I get sad when you are happy, and that may be unkind  
I am leaving here tomorrow  
Out of sight, out of mind

The girls on Broadway make me sad  
Girls with blonde hair like you always had  
Walking their puppies, it makes me repair  
Drinkin their coffee and talkin to their friends  
Each time I turn around I try to say goodbye  
Each time I babble on I see that you are still all mine and

I am leaving here tomorrow  
You're always on my mind  
I need to be reminded, out of sight, out of mind  
I get sad when you are happy, and that may be unkind  
I am leaving here tomorrow  
Out of sight, out of mind

Don't forget to play your willow time  
And leave me bits so I can clear my heart and say that

I am leaving here tomorrow  
You're always on my mind  
Don't need to be reminded, out of sight, out of mind  
I get mad when you are happy, and that may be unkind  
I am leaving here tomorrow  
Out of sight, out of mind  
Out of sight, out of mind
