

## So Long Mrs. Smith

Matthew Good Band

So long Mrs. Smith  
This spring I think that I should go  
And I have had enough of this  
And this place ain't what it was before  
When I was young nine thirty was late enough  
And the sky was angel dust  
A dead top trio of criminal saints  
To worship at Wong's  
Would you say that we were wrong

So long Mrs. Smith  
This spring I think that I should go  
And I have had enough of this  
I'm going down to Edison
