

## In a Place of Lesser Men

Matthew Good

She goes about her day  
And keeps her cool until the weekend  
In a place of lesser men  
Order in some food, turn on the news  
Hear some fool say the world is gonna end  
Best spend the night under your bed

When she was a girl she learned the words every boy couldn't say  
It's not your currency that spends  
In a place of lesser men

She walks from work at night  
Blood on bait  
But I don't worry  
I don't worry  
How come I don't worry?  
I don't worry

She goes about her day  
And keeps her cool until the weekend

When she was a girl she learned the words every boy couldn't say  
There's nothing worthwhile to defend  
In a place of lesser men

I sleep on nails at night  
But I can hear her thinking  
Don't you worry  
Don't you worry  
Don't you worry  
Don't you worry  
Baby, don't you worry  
Don't you worry  
Don't you worry  
Don't you worry
