

# Oh Be Joyful

Matthew Good

Here I go  
Pop my skull ready to lose control, yeah  
Cruising slow  
Live your life outside the life you know

Oh be joyful!  
'Cause that shit spreads  
Oh be joyful!  
'Cause that shit spreads

Here we go  
Pop your skull off the air, lose control, yeah  
Get up and go  
Of five fingers, one of them lets you know

Oh be joyful!  
'Cause that shit spreads  
Oh be joyful!  
'Cause that shit spreads

Just like that

Oh be joyful!  
'Cause that shit spreads  
Oh be joyful!  
'Cause that shit spreads
