Matthew Good

There was a bird from Camden High Street  
That hit the Thames just short of Battersea  
And all the time it flew it sang Young Man Blues  
"Ain't got nothing in the world these days"  
Just the world don't know it's true

So close

Days of rage  
Oh us pioneers  
If you ain't on your back taking it get out of here  
And if somehow you do, you sing Young Man Blues  
"Ain't got nothing in the world these days"  
Just the world don't know it's true

So close

Keep us alive on 45  
Don't let the wolves get anything  
Keep us alive on 45  
It may mean more than anything
