

# We Might Fall

Matthew Koma

Could you come a little closer but still keep your distance?  
I've been thinkin' it over and I'm terrified  
Are you still afraid or maybe something's missin'?  
I want you to be honest, are you scared of heights?

'Cause while we might fall, we might fall  
Ooh we might fall, we might fall  
'Cause while we might fall, we might fall  
Ooh we might fall, we might fall

We might fall  
(We might fall)

You say it in the spaces of our conversation  
And you don't even know how well I read your mind  
So what's it gonna take and will your desperation  
Find a little comfort in mine, in mine?

'Cause while we might fall, we might fall  
Ooh we might fall, we might fall  
'Cause while we might fall, we might fall  
Ooh we might fall, we might fall

We might fall  
(We might fall)
