

## Simple

Matthew Mayfield

You don't love me  
Like I love you  
It's pretty simple  
It's pretty cruel  
It's pretty cruel...

I don't have time, don't have the right  
According to your silent eyes  
To keep this anxious love alive

But I guess...I guess...  
You gave me away

You don't love me like I love you  
It's pretty simple, pretty cruel  
And you won't have me like I'd have you  
All these reasons for the truth—  
They're pretty cruel

Pretty cruel...
