

# The ballad of the witches' road (True crime version)

Matthew Mayfield

## Chorus

Down, down, down the road  
Down the winding road  
Down, down, down the road  
Down the winding road  
Down, down, down the road  
Down the winding road  
Wherever it may bend  
I'll see you at the end

## Verse

The road is wild and wicked  
Winding through the wood  
Where all that's wrong is right  
And all that's bad is good  
Through many miles of tricks and trials  
We'll wander high and low  
Tame your fears, a door appears  
The time has come to go

## Chorus

Down, down, down the road  
Down the winding road  
Down, down, down the road  
Down the winding road  
Down, down, down the road  
Down the winding road  
Wherever it may bend  
I'll see you at the end
