

## The Devil Within

Matthew Mayfield

Children watch the flames...  
as the ashes rise against the rain  
Can you explain the fires to them?  
can you hide the devin within?  
ooh, ooh, ooh, ooh....  
God takes the blame...  
while the fingers point at all the pain  
close your eyes and dream my friend  
and you will see the devil within...  
ooh, ooh, ohh, ohh....
