

Believe

Matthew Morrison

I see it all around us
In every single color
And every dimension
Crowns the reinvention

And if it is black
Then it's white
And when it is dark
Then it's light
So fill in all the spaces
With imaginary places

It's so frustrating
When no one else sees
Everything you see
So for now it is just an illusion, confusion
Unless you're someone who believes

When you look
Tell me what do you see?

Just a dog in a park

Is it real?
Is it fiction
Only make believe?
You act like you really don't care

Look with your eyes

But I look with your eyes
He's a great Russian bear

And he's dancing and prancing
And bowing politely
He plays to full houses once daily
Twice nightly
Prefix "ordinary" with "extra" you'll see
Believe, believe, believe

I don't need rose-tinted spectacles
(A dog, a rock, a bench, a bone)
Just to see the fundamentals
(A twig, a stick, a can, a stone)

I only see the bright lights

A cloudy sky

The sunset and the sunrise

Don't lie

And if it is weak

Then it's strong!

It's not strong!

And just when it's right

Then it's wrong!

It's not wrong!

And everything my eyes see

Everything my eyes see

Is nothing like it should be

Is only like it should be

It's so frustrating

When no one else sees

Everything you see

So for now it is just an illusion, confusion

Unless you're someone who believes

When you look

Tell me what do you see

(You can believe!)

Is it real?

Is it fiction

Only make believe?

You may think we're safe on the path

(You must believe)

But the grass is the water that's rising too fast

And now Kensington park

Is the biggest lagoon

And this bench is a rock

And we're all marooned here

Hear the mermaids sing their beautiful song!

When you look

Tell me what do you see?

You can believe

Is it real?

Or a mystery scientifically?

It's more than a bench in the park

You must believe

Look again

It's rocket that's headed for Mars

On a mission to search for new life

When we'll be back who knows

'Cause it's really a long flight

Turn the whole world upside down

And you'll see

Believe, believe, believe

(Ah, ah, ah, ah, ah, ah)

With just imagination

(Ha, ha, ha)
And creative speculation
(Ha, ha, ha)
Our life's calling
Was never meant to be boring

No!

Believe, believe,
Believe, believe,
Believe, believe,
Believe, believe,
Believe, believe
Believe, believe,
Believe!, believe,
Believe!
