

# Hey

Matthew Morrison

I wonder if she's here with someone  
A girl like that can get attention  
I could just go walking her way  
All I've got to do is figure out the words I need to say

Oh-woo oh-woo  
I just need an introduction  
Oh-woo oh-woo  
I keep coming up with nothing  
Oh-woo oh-woo  
Why do I lose my voice to show when all I wanna say is  
Hey, hey  
I gotta be with you an'  
Hey, hey  
You're beautiful in every  
Way, way  
So what I need to say is  
Hey, hey  
And change the world in a day

In your eyes I see you're lonely  
Looking at me I want you only  
We belong together  
This I know-oh-oh  
Just gotta find the words to tell you so

Oh-woo oh-woo  
I just need an introduction  
Oh-woo oh-woo  
I keep coming up with nothing  
Oh-woo oh-woo  
Why do I lose my voice to show when all I wanna say is  
Hey, hey  
I gotta be with you an'  
Hey, hey  
You're beautiful in every  
Way, way  
So what I need to say is  
Hey, hey  
And change the world in a day

I have my lines and stories set  
You're looking at me and I forget  
Starts all running through my head  
Jumbled up and left unsaid  
Oh-oh

Oh-woo oh-woo  
I just need an introduction  
Oh-woo oh-woo  
I keep coming up with nothing  
Oh-woo oh-woo  
Why do I lose my voice to show when all I wanna say is  
Hey, hey  
I gotta be with you an'  
Hey, hey  
Oh-woo oh-woo

I just need an introduction  
Oh-woo oh-woo  
I keep coming up with nothing  
Oh-woo oh-woo  
Why do I lose my voice to show when all I wanna say is  
Hey, hey  
So what I need to say is  
Hey, hey  
And change the world in a day
