

Stronger

Matthew Morrison

In the darkest place
There's the faintest light
Gives me hope to face the hardest fight

Pain delivers me
I don't need their sympathy
'Cause they can't take away my mind
Where I go they will never find

I've got to be stronger
Reach up higher
Must dig deeper
Find the fire

Feel enlightened
Can't be frightened anymore

I can run now so much faster
Now defeat won't be my master

For to conquer the demons
I won't have to wait any longer
I've got to be stronger

Take the line
Top the mast
Steady!
Pull!
Whoa...

You'll see in time
You will survive
Too soon to run
Too late to hide
It's your destiny
Every pace, every stride

I am stronger
Reach up higher
Digging deeper
Found the fire

Feel enlightened
Won't be frightened anymore

I can run now so much faster
Now defeat won't be my master

I will conquer the demons
I won't have to wait any longer

I've got to be stronger
I am stronger
Now I'm stronger
