

You'll Be in My Heart

Matthew Morrison

Come stop your crying, it will be alright
Just take my hand and hold it tight
I will protect you from all around you
I will be here, don't you cry

For one so small you seem so strong
My arms will hold you, keep you safe and warm
This bond between us can't be broken
I will be here, don't you cry

'Cause you'll be in my heart
Yes, you'll be in my heart
From this day on
Now and forever more
You'll be in my heart
No matter what they say
You'll be here in my heart
Always

Why can't they understand the way we feel
They just don't trust what they can't explain
I know we're different but deep inside us
We're not that different at all

And you'll be in my heart
Yes, you'll be in my heart
From this day on
Now and forever more

Don't listen to them 'cause what do they know?
We need each other to have, to hold
They'll see in time, I know
When destiny calls you, you must be strong
I may not be with you but you've got to hold on
They'll see in time, I know
We'll show them together

'Cause you'll be in my heart
Believe me, you'll be in my heart
I'll be there from this day on
Now and forever more
Oh, you'll be in my heart
No matter what they say
I'll be with you
You'll be here in my heart
I'll be there always
Always

I'll be with you
I'll be there for you always
Always and always

Just look over your shoulder
Just look over your shoulder
I'll be there always
