

# You've Got a Friend in Me

Matthew Morrison

You've got a friend in me  
You've got a friend in me  
When the road looks rough ahead  
And you're miles and miles from your nice warm bed  
You just remember what your old pal said  
Yeah, you've got a friend in me  
You've got a friend in me

You've got a friend in me  
Yeah, you've got a friend in me  
You've got troubles, and I've got 'em, too  
There isn't anything I wouldn't do for you  
We stick together and we see it through  
Yeah, you've got a friend in me  
Yeah, you've got a friend in me

Some other folks might be a little smarter than I am  
Bigger and stronger too  
But none of them will ever love you  
The way I do, it's me and you

And as the years go by  
Our friendship will never die  
You're gonna see, it's our destiny  
You've got a friend in me  
You've got a friend in me

And as the years go by  
Our friendship will never die  
You're gonna see, it's our destiny  
You've got a friend in me  
You've got a friend in me  
You've got a friend in me  
You've got a friend in me
