

# Alive

Matthew Parker

Really thought it'd make me happy  
In the end it gave me nothing  
I'm so sick and tired of everything I've tried to fill my heart  
You're the only one I need

You always satisfy  
The emptiness inside  
You're my constant conversation  
My hello and goodbye  
And in my darkest night  
You love me back to life  
Your words are my salvation  
My perfect peace of mind  
You make me feel alive

The only one  
You're the only one who makes me feel alive

No one else knows me like you do  
You're my clarity when I can't find the truth  
You turn down the noise, whisper your voice to tell my heart  
You're the only one I need

You always satisfy  
The emptiness inside  
You're my constant conversation  
My hello and goodbye  
And in my darkest night  
You love me back to life  
Your words are my salvation  
My perfect peace of mind  
You make me feel alive

The only one  
You're the only one who makes me feel alive  
The only one  
You're the only one who...

You always satisfy  
The emptiness inside  
You're my constant conversation  
My hello and goodbye  
And in my darkest night  
You love me back to life  
Your words are my salvation  
My perfect peace of mind  
You make me feel alive

You make me feel alive  
The only one  
You're the only one who makes me feel alive  
The only one  
You're the only one who makes me feel alive
