

# Bleeding Hearts

Matthew Parker

To need love is human  
But in the spotlight we act so tough  
So don't be fooled when we put on a show  
Because we're bleeding inside  
And we're dying for love

Everyone in the world can feel  
And everyone is nearly falling apart  
So be the one  
Don't hurt but heal  
And show 'em how to love  
Our bleeding hearts

We're not invincible  
If you burn us we feel pain  
Ooh  
So take it gently now  
Don't be rough when it's love at stake  
In our bleeding hearts

Our bleeding hearts

To feel pain is human  
And everybody bleeds red sometimes  
But we feel all the cuts in our heart  
When we run through the flames  
And we fall as we climb

Everyone in the world can feel  
And everyone is nearly falling apart  
So be the one  
Don't hurt but heal  
And show 'em how to love  
Our bleeding hearts

We're not invincible  
If you burn us we feel pain  
Ooh  
So take it gently now  
Don't be rough when it's love at stake  
Our bleeding hearts  
We're not invincible  
If you burn us we feel pain  
Ooh  
So take it gently now  
Don't be rough when it's love at stake

Our bleeding hearts

So play nice when you play with our bleeding hearts

We're not invincible  
If you burn us we feel pain  
Ooh  
So take it gently now  
Don't be rough when it's love at stake  
Our bleeding hearts

We're not invincible  
If you burn us we feel pain  
Ooh  
So take it gently now  
Don't be rough when there's love at stake  
Ooh
