

Breathe

Matthew Parker

Lately, I know it hurts everytime your heart beats
I know you've been through terribly hard things
Believe me, I've been there, I know how it feels, yeah
Lately, you don't wanna admit you're feeling broken
Heart on the line, left hoping
I know how it feels being ripped open, emotional

Your life maybe so far from perfect
But I promise that it will be worth it
Just fall like a trust fall yeah
Fall onto me and just breathe

I'm never gonna leave your side
Whatever battles you fight
So set your fears aside
Just breathe
Keep your head up, you're never alone
When you're lost and you're farthest from home
I'll be there, don't be scared
Don't you know? You're never alone
Just breathe

Yeah, love me or hate me
I've been there since the very first day, see
I've seen you growing up just like a daisy
I've held your hand walking through a minefield, yeah
Lately, I know you've been feeling lost and not maybe
I swear that I got you, no maybe
Even the bravest need saving sometimes

Your life maybe so far from perfect
But I promise that it will be worth it
Just fall like a trust fall, yeah
Fall onto me and just breathe

I'm never gonna leave your side
Whatever battles you fight
So set your fears aside
Just breathe
Keep your head up you're never alone
When you're lost and
You're farthest from home
I'll be there, don't be scared
Don't you know? You're never alone
Just breathe

Your life maybe so far from perfect
But I promise that it will be worth it
Just fall like a trust fall, yeah
Fall onto me and just

Just breathe
I'm never gonna leave your side
Whatever battles you fight
So set your fears aside
Just breathe
Keep your head up you're never alone

When you're lost and you're farthest from home
I'll be there, don't be scared
Don't you know? You're never alone
Just breathe

Your life maybe so far from perfect
But I promise that it will be worth it
Just fall like a trust fall
Fall onto me and just breathe
