

# Can You See Me

Matthew Parker

Beyond the farthest mountain  
Beyond the deepest valley  
You see the edges of the universe  
Can You see me?  
Above the highest star  
Below the lowest cavern  
There's nothing hidden from You  
Can You see me?

(Can You see me?)  
Oh, I know You can  
Though I am just so small  
(Can You see me?)  
You've done much more than that  
You gave up heaven for my sake  
I know You can see me

The clouds above surround me  
And Hades tries to hide me  
Your love is stronger than the pow'r of death  
Can You see me?  
The rays of glory take me  
From sorrow and despair  
You see me in my desperate need  
Now I see how much You care  
I see that You see me

(Can You see me?)  
Oh, I know You can  
Though I am just so small  
(Can You see me?)  
You've done much more than that  
You gave up heaven for my sake

(Can You see me?)  
Oh, I know You can  
The proof is in Your hands  
(Can You see me?)  
You've done much more than that  
You call me "son" when You see my face  
I know You can see me (I know You can see me)

(Ah, ah, ah)  
(Ah, ah, ah, ah)  
(Ah, ah, ah)  
(Ah, ah, ah-ah)  
(Ah, ah, ah) Pa, da-da, da-da, da-da-da  
(Ah, ah, ah, ah) Pa, da-da, da-da  
(Ah, ah, ah) Pa, da-da, da-da, da-da-da  
(Ah, ah, ah-ah) Pa, da-da, da-da  
You see the edges of the universe  
Can You see me?
