

Every Other Day

Matthew Parker

Yeah, I'm getting tired of dreaming but never believing
I'll ever amount to something
And all these character flaws, so often the cause
Of new problems I'm always dealing
And everybody says I'm doing fine
But they can't see the inside of my mind
It's like somebody turned out the lights
And I don't know what's going on

Seems like every other day, I'm feeling like I'm going insane
Uhuh, uhuh, yeah
Every other day, I'm feeling like I'm going insane
Doo-doo-doo-doo-doo-doo-doo
(Doo-doo-doo-doo-doo, doo-doo-doo-doo, doo-doo doo-doo-doo-doo-doo-doo-doo)
(Doo-doo-doo-doo, doo-doo-doo-doo, doo-doo doo-doo-doo-doo-doo-doo-doo)

Ohh
I still remember the good days way back in the fifth grade
I never had a care in the whole world
In fact I was such a weirdo, with hairspray in my hairdo
I never had to fight off the cute girls
And life was good, I had no bills to pay
Three bucks could keep me happy for a day
But now I'm stressed out and I'm barely sane
Just gotta keep on keeping on

Seems like every other day, I'm feeling like I'm going insane
Uhuh, uhuh, yeah
Every other day, I'm feeling like I'm going insane
Ohh-oh
I got my good days and bad days
And first world problems driving me crazy
Yeah, every other day, I'm feeling like I'm going insane
Doo-doo-doo-doo-doo-doo-doo
(Doo-doo-doo-doo-doo, doo-doo-doo-doo, doo-doo doo-doo-doo-doo-doo-doo-doo)
(Yeah, aha, you got one Matt
How you know I been feeling exactly like this, bro?)
(Doo-doo-doo-doo, doo-doo-doo-doo, doo-doo doo-doo-doo-doo-doo-doo-doo)
(Aha, that's crazy
Uh, yup, Austin Lanier)

Look, okay I'm crazy, I'm crazy
But I'm just the way that God made me
First week of kindergarten, had a parent-teacher conference
And they told me I'm ADHD
'Cause I be doing the most, I can't chill
I talk too much and I can't sit still
They tell me that I'm different
But instead of giving me some discipline
They went ahead and put me on a pill
I was like, dang man, I guess that means I'm crazy
Need a seatbelt 'cause my mind is racing
One minute I'm dying in the basement
Next minute I'm flying in a spaceship
Really think I need some help with this

And I don't care if it's embarrassing
I just went to see a therapist
When he asked me how I'm doing, all I said was this
Well, you see

Seems like every other day, I'm feeling like I'm going insane (yup, yup)
Uhuh, uhuh, yeah
Every other day, I'm feeling like I'm going insane, yeah (yeah, aha)
(Doo-doo-doo-doo, doo-doo-doo-doo, doo-doo doo-doo-doo-doo-doo-doo-doo-doo)
I got my good days and bad days
And first world problems driving me crazy (okay I'm crazy, I'm crazy, uh)
(Doo-doo-doo-doo-doo, doo-doo-doo-doo, doo-doo doo-doo-doo-doo-doo-doo-doo-doo)
Yeah, every other day, I'm feeling like I'm going insane (okay I'm crazy, I'm crazy, yup)
Doo-doo-doo-doo-doo-doo-doo

(How you know I been feeling exactly like this bro? Aha, that's crazy)
