

Featherlight

Matthew Parker

I got that featherlight feelin'
Breakin' thru the ceilin'
Ready for the ride of my life
I got that fairy tale blue sky
Sailin' on a new high
Doin' what I can just to keep it
That featherlight feelin'
Ooh-wah-oh
Ooh-wah-oh-oh
Yeah

I have been unwell
I stopped comin' out o' my shell
I finally have a smile on
Then I tend to dwell on
The past tense and heartbreaks
Rehash my mistakes
I don't have the time to relive what I ain't

There's light at the end of the tunnel
Like a deer, I am a runner
I was down, now I'm one-up
Doesn't happen by dumb luck
Negative, I don't want none of
A pessimist, I am not one of
I was sad, I got caught up
Now I'm glad, bruh, and it's all love, yeah

I got that featherlight feelin'
Breakin' thru the ceilin'
Ready for the ride of my life
I got that fairy tale blue sky
Sailin' on a new high
Doin' what I can just to keep it
That featherlight feelin'
Ooh-wah-oh
Ooh-wah-oh-oh
(Yeah, mm)

I've been feelin' low
I won't let nobody know
That I don't wanna grow up
I get kinda choked up
With the weight of the world on my shoulderblades
A pain I'll release at an older age
When I don't have the energy to find the words to say

There's light at the end of the tunnel
Like a deer, I am a runner
I was down, now I'm two-up
And I am more than a screw-up
Negative, I don't want none of
A pessimist, I am not one of
I was sad, then I looked up
Now I'm glad, bruh, it's a good love

I got that featherlight feelin'

Breakin' thru the ceilin' (Breakin' thru the ceilin')
Ready for the ride of my life
I got that fairy tale blue sky (Ooh)
Sailin' on a new high (Sailin' on a new high)
Doin' what I can just to keep it
That featherlight feelin'
That featherlight feelin'
Ooh-wah-oh
Ooh-wah-oh-oh
(Yeah)
That featherlight feelin'

(Ready for the ride of my life)
