

Gone

Matthew Parker

You made me feel alive, you made me feel alive
Now I can't believe you're gone, I can't believe you're gone
There's chaos in my mind and nothing seems quite right
I can't believe you're gone, I just can't believe you're gone,
oh
My heart is beating yet it seems so dead
My head is swimming with the things unsaid, mm
And I am oh-h, just thinking
I can't believe you're gone, I, I can't believe it

I can't believe you're gone
I can't believe you're
Gone

You made me feel alive, you made me feel alive
Now I can't believe you're gone, I can't believe you're gone
There's chaos in my mind and nothing seems quite right
I can't believe you're gone, I just can't believe you're gone,
oh
My heart is beating yet it seems so dead (seems so dead)
My head is swimming with the things unsaid, mm (things unsaid)
And I am oh-h, just thinking
I can't believe you're gone, I, I can't believe it

I can't believe you're gone
I can't believe you're
Gone
