

I Miss Ü

Matthew Parker

You taught me how to dream the biggest dreams
You taught me how to give, even all of me
But now you're gone and I can't stop the feeling
This bullet hole in my heart ain't healing

Sometimes I think about you and I really can't sleep, and I wonder why you went away
Sometimes I think about you and the memories, but they're gone,
nothing left to say
Only this

I miss you, but one day I know I'll see you again
So if you can see me down here, don't worry 'bout me
I will be by your side when my day turns to night
Still I miss you, I miss you

I wish I had the chance to say goodbye
I see you in my dreams and you're so alive
But I can't take you from the joy of feeling
You're with the good Lord up above the ceiling

Sometimes I think about you and I really can't sleep, and I wonder why God took you away
Sometimes I think about you and the way that you loved me, and
I hope that you can hear me say
This

I miss you, but one day I know I'll see you again
So if you can see me down here, don't worry 'bout me
I will be by your side when my day turns to night
Still I miss you, I miss you

Sometimes I think about you and what could've been, and I know I'll never be the same
Sometimes I wonder if life is a chance to love, just before it
all fades to grey
Yeah, mm, yeah

I miss you, I miss you, I miss you
I miss you, I miss you, I miss you

I miss you, but one day I know I'll see you again
So if you can see me down here, don't worry 'bout me
I will be by your side when my day turns to night
Still I miss you, I miss you

I miss you, I miss you, I miss you
I miss you, I miss you, I miss you

I miss you, I miss you, I miss you
I miss you, I miss you, I miss you
