

# Let Ü Go

Matthew Parker

Don't wanna let you go  
Don't wanna let you go

Sometimes doing the right thing  
Ain't no easy road, wish I didn't know  
'Cause sometimes I gotta learn the hard way  
To get it through my skull, wish I didn't go

'Cause you, you, you, you were the star in my sky  
I only had one  
And you, you, you believe me when I say  
Now that this moment has come

I don't wanna let you, I don't wanna let you go  
Feel like you're a part of me, part of me  
I don't wanna let you, I don't wanna let you go  
Why do we gotta say goodbye, don't wanna let you go  
Oh-oh-oh-oh, oh-oh-oh-oh  
Why do we gotta say goodbye, don't wanna let you go  
Oh-oh-oh-oh, oh-oh-oh-oh  
Why do we gotta say goodbye, don't wanna let you go

Sometimes our future daydreams turn to fairy tales  
Train goes off the rails  
And sometimes we're building our own guillotine  
We open the hatch of the submarine, God save us we're so naive

'Cause you, you, you, you were the gleam in my eye  
The one that I love  
And you, you, you believe me when I say  
Now that this moment has come

I don't wanna let you, I don't wanna let you go  
Feel like you're a part of me, part of me  
I don't wanna let you, I don't wanna let you go  
Why do we gotta say goodbye, don't wanna let you go  
Oh-oh-oh-oh, oh-oh-oh-oh  
Why do we gotta say goodbye, don't wanna let you go  
Oh-oh-oh-oh, oh-oh-oh-oh  
Why do we gotta say goodbye, don't wanna let you go

Don't wanna let you go, no  
Don't wanna let you go, no

I don't wanna let you, I don't wanna let you go  
Feel like you're a part of me, part of me  
I don't wanna let you, I don't wanna let you go  
Why do we gotta say goodbye, don't wanna let you go  
Oh-oh-oh-oh, oh-oh-oh-oh  
Why do we gotta say goodbye, don't wanna let you go  
Oh-oh-oh-oh, oh-oh-oh-oh  
Why do we gotta say goodbye, don't wanna let you go  
Don't wanna let you go, don't wanna let you go
