

Like Nothing Else

Matthew Parker

Yeah

There's nothing in this world more beautiful than You

You're all that I want, yeah

Nothing can compare 'cause there's nothing else like You

Yeah-yeah, oh

There's nothing in this world more beautiful than You

You're all that I want, yeah

Nothing can compare 'cause there's nothing else like You

Yeah-yeah, oh

Oh, God, God, there's nothing to compare to You

You're so holy and You're like no other

Oh, God, hey, nobody else can do what You do

You rule earth and sky, Holy Father

Yeah, all Your ways are right, all You say is true

Oh, God, yeah, there's nothing like You

Every day of my life, every beat of my heart

God, I want it beating only for You

Nothing like, nothing like-like, nothing like You

There's nothing in this world more beautiful than You

You're all that I want, yeah

Nothing can compare 'cause there's nothing else like You

Yeah, oh

Nothing like, nothing like-like, nothing like You

Nothing like You

'Cause there's nothing else like You

There's nothing in this world more beautiful than You

You're all that I want, yeah

Nothing can compare 'cause there's nothing else like You

Yeah-yeah

There's nothing in this world more beautiful than You

You're all that I want, yeah

Nothing can compare 'cause there's nothing else like You

Yeah-yeah
