

Phoenix

Matthew Parker

Baby, you're a phoenix
And nothing can keep you down
For long
When you've got broken wings
Light it up and rise from the ground
My love

You're gonna fly, fly, fly
Fly so far away (Far away)
And baby, don't let, let
Let your fire fade (Fire fade)
You're gonna fly, fly, fly
To a brighter day (Brighter day)
I can take you higher
Set your wings on fire

Oh, like a phoenix (Like a phoenix, oh)
Like a phoenix (Like a phoenix, oh)

Baby, you're a fighter
Take on the world because you know I've got you
I've got you
You'll set the sky on fire
And when the whole world sees
I'll be watching you (I'll be watching you)
I'll be watching you (I'll be watching you)

As you fly, fly, fly
Fly so far away (Far away)
And baby, don't let, let
Let your fire fade (Fire fade)
You're gonna fly, fly, fly
To a brighter day (Brighter day)
I can take you higher
Set your wings on fire

(Set your wings on fire, fire, fire)
(Set your wings on fire, fire, fire)

Like a phoenix (Like a phoenix)
I can take you higher, set your wings on fire

You're gonna fly, fly, fly
Fly so far away (Far away)
And baby, don't let, let
Let your fire fade (Fire fade)
You're gonna fly, fly, fly
To a brighter day (Brighter day)
I can take you higher
Set your wings on fire

Oh, like a phoenix (Like a phoenix, oh)
Like a phoenix (Like a phoenix, oh)

As you fly, fly, fly
Fly so far away (Far away)
And baby, don't let, let

Let your fire fade (Fire fade)
You're gonna fly, fly, fly
To a brighter day (Brighter day)
I can take you higher
Set your wings on fire

You're gonna fly, fly, fly
Fly so far away (Far away)
And don't let, let
Let your fire fade (Fire fade)
Fly, fly, fly
To a brighter day (Brighter day)
I can take you higher
Set your wings on fire
